A BILL FOR

1 An Act relating to construction permits for appliance recycling
2 buildings and making appropriations.

3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. NEW SECTION. 455D.17 Appliance recycling —
2 construction permit fee.

3 1. For purposes of this section, unless the context
4 otherwise requires, "*appliance recycling*" means the process
5 of disassembling a discarded appliance and removing hazardous
6 components for environmentally sound disposal prior to the
7 metal in the appliance being recycled.

8 2. The department shall adopt construction standards
9 for buildings intended to be used for purposes of appliance
10 recycling.

11 3. Prior to commencing a construction project for a building
12 intended to be used for appliance recycling purposes, a person
13 shall apply for a construction permit under this section. The
14 department shall impose a construction permit fee of not less
15 than one thousand dollars.

16 4. An appliance recycling construction permit fund
17 is created in the state treasury under the control of the
18 department. Permit fees collected by the department pursuant
19 to this section shall be deposited in the fund and are
20 appropriated to the department for purposes of administering
21 the departmental duties of this section.

22 EXPLANATION

23 This bill relates to construction permits for appliance
24 recycling buildings.

25 The bill defines the term "*appliance recycling*" to mean the
26 process of disassembling a discarded appliance and removing
27 hazardous components for environmentally sound disposal prior
28 to the metal in the appliance being recycled.

29 The bill requires the department of natural resources to
30 adopt construction standards for buildings intended to be
31 used for purposes of appliance recycling. The bill creates
32 a permitting process for construction projects for buildings
33 intended to be used for appliance recycling purposes and
34 requires the department to impose a construction permit fee of
35 not less than \$1,000. The bill creates an appliance recycling

1 construction permit fund in the state treasury under the
2 control of the department. The bill requires construction
3 permit fees to be deposited in the fund and appropriates moneys
4 in the fund to the department for purposes of administering
5 duties related to the construction of appliance recycling
6 buildings.
